**When you are
at risk of losing
your home,
there may be
options other
than eviction
or repossession.**

There may still be time to keep your home or find alternative accommodation but you need to act **now**.

Below is a list of agencies that may be able to help you find a solution to stay in your home or provide advice on what you should do next.

Why are we contacting you?

We are able to get in touch with you because the law (Section 11 of the Homelessness (Scotland) Act 2003) says landlords and mortgage lenders have to tell the City of Edinburgh Council when they go to court for permission to evict you or repossess your home.

Please take action **now**.
